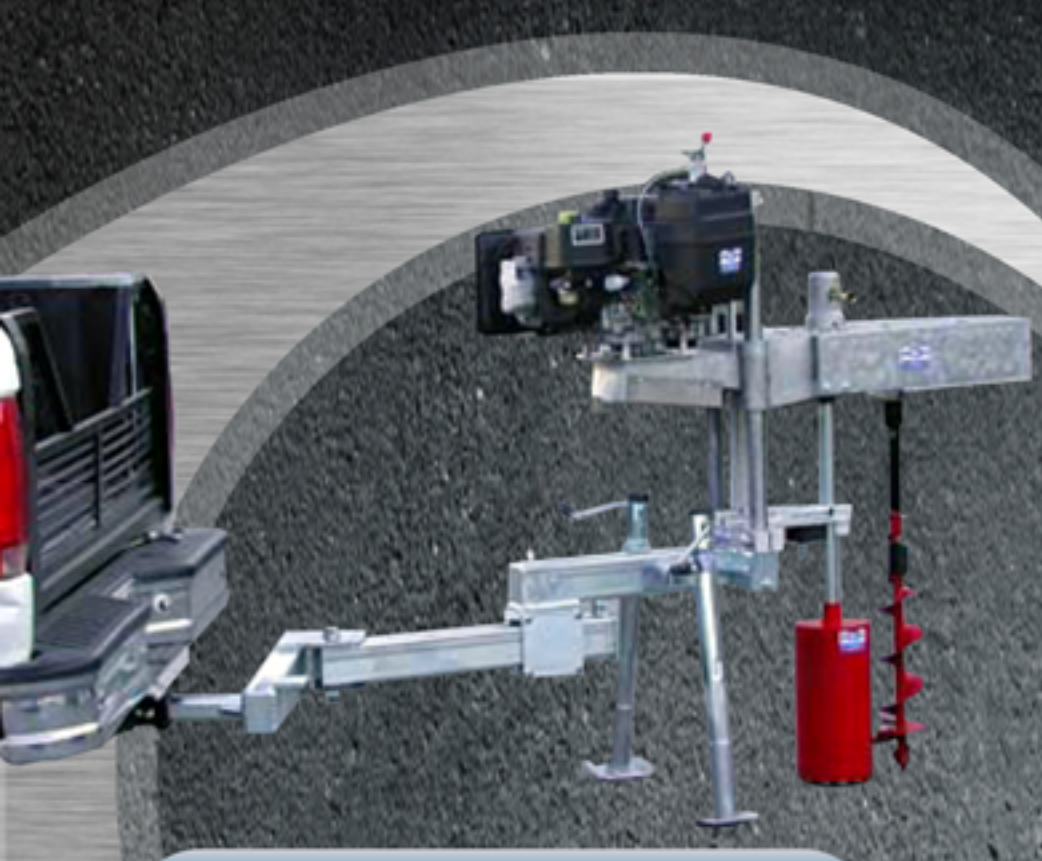
Hitch Mounted Core Drill

Everyday Field Independence



K-1716

K-1600

PARK - POSITION - DRILL

FAST DRILLING &
CONSISTANT QUALITY
SAVING TIME INCREASES PROFIT POTENTIAL

See reverse side for system details

Perfect for:

- Sign Installation & Replacement
- Road and Bridge Construction
- Materials Testing • Utility Installation - “Pot-Holing”

KOR-IT® Engineering Design and Manufacturing

Hitch Mounted Core Drill

Everyday Field Independence

K-17xx-G15 CORE DRILL SYSTEM

Reduces job costs
- Minimizes time required for each job
- Increase bit life with very stable drilling platform
- Drill faster with gasoline motor (6 and 17 HP)

Flexible Position Receiver Mounted Drilling System
- Accurate hole drilling - Easy positioning and alignment of drill head
- Positioning arm swings 180 degrees in a semi-circle
- Multi-jointed arm allows drilling at almost any postion within the semi-circle (K-17xx Series only)
- Drill head extends approximately 36-inches beyond side of vehicle (K-17xx Series only)
- Storage position no need to remove from vehicle for easy transport

Independence in the field
- Stand-alone gasoline-powered system - No additional power supplies needed
- Mounts to standard 2-inch receiver hitch of a pickup, van or other vehicle
- Easy one person vehicle mounting or removal using its own drill caddy

Obtain years of use and dependable performance with stable drilling platform
- Heavy-duty, dual-precision ground columns
- Tenzalloy precision machined carriage assembly
- Smooth-precision ball feed screw system
- Capable of handling drilling from 2 to 16 inch holes
- Auger capability available (optional)

Standard Package Includes
- Drill head - Up to 16-inch bit capacity, Auger Capabilities also available
- Flexible position receiver mount bracket
- Drill Caddy
- Variable RPM: 300 to 1500 bit RPM
- Water swivel
- Drive shaft stabilizer system
- 24 inch core diameter available (optional)

Model #	Bit Capacity	Horse Power
K-1608-G6	8-inch	6.5 HP Pull Start
K-1608-G17	8-inch	15 HP Pull Start
K-1716-G17	16-inch	15 HP Electric Start
K-1716-G17	16-inch + 8-inch Auger Capability	15 HP Electric Start
K-1724-G17	24-inch	15 HP Electric Start

If you don't see it but need it, we'll design and build it!
