## Lifan Hydro Pro 4500E-CA

### Pressure Washer Model # LFQ4515E-CA

The LF4500E pressure washer features a 50-state compliant 420cc 15HP electric and recoil start engine that comes with a low oil shutdown for protection. This pressure washer produces 4500 psi and 4 gallons per minute of water with the AR RRV Tri Plex pump.. A 5000 psi two piece wand and a 50-foot, 5000 psi hose are included. The control panel puts everything at the user's fingertips. Engine switch, push/pull choke lever, inlet and outlet water connections, and the 5 tips for the wand! All of this sits in a 1¼" roll cage frame and has extra wide and tall tires measuring 13" x 4¼" for easy mobility. This engine has a 1¾ gallon fuel tank. It is 50 state compliant, CARB and EPA approved. All parts to maintain and repair this pump are available. The warranty is 3 years for residential and 1 year commercial use. Parts to maintain and repair Lifan engines and equipment are available.
